Millersville 250 Celebration Campaign

Congratulations! You are about to become part of a special historical milestone. In 2011, Millersville will celebrate its 250th anniversary. As a result of discussions among members of the Millersville Area Historical Society, an executive committee and an array of subcommittees were formed to coordinate the anniversary celebration activities. Members of the Millersville 250 Executive Committee and the subcommittees are representatives of borough government, borough citizens, historical society members, members of the business community and representatives from Millersville University and Penn Manor School District. Millersville Borough Council has expressed strong support for our endeavor.

The Millersville 250 initiative will involve Millersville's various constituents in activities that emphasize Millersville's history and values, in activities that enhance the image and awareness of Millersville and in activities that increase pride in Millersville. Millersville 250 asks for your financial support to help bring about this celebration. As noted, we are looking to host several events throughout the year and have proposed a modest budget for special initiatives all-year long! We hope we can count on our community friends to make a donation toward this wonderful commemorative community experience. For more information, please visit the website Millersville250.org and to make a donation, click on the 'How You Can Help Link'. Our website will be continually updated throughout the year long celebration, so be sure to visit frequently from now through 2011. Every dollar counts. We welcome all gifts and thank you in advance for your generosity. Please make checks payable to Millersville 250. [Note: these gifts are not tax deductible.]
